ING Indexed Universal Life-CV (ING IUL-CV) ING Indexed Strategic Accumulator Universal Life (ING ISAUL) Illustrated Rate Change

Each year, the ING Life Companies evaluate and adjust the illustrated rates on our indexed products to reflect the impact of the prior year's underlying index performance on the maximum illustrated rates. As a result of these changes, the illustrated interest rates for ING IUL-CV and ING ISAUL will change effective January 1, 2010.

The changes will be reflected in ING Presents on Monday, January 4, as follows:

- The illustrated rate for ING IUL-CV will be 7.83%
- The illustrated rate for ING ISAUL will be 7.31%

If you are interested in illustrating the upcoming rate changes now in ING Presents, just change the projected rate selection to the 2010 rate.

There will be no change to the 11.5% cap for ING IUL-CV or 10.5% cap for ING ISAUL.
