Changes to Conditional Life Receipts

RE: Changes to Conditional Life Receipts
DATE: August 13, 2010
TO: Protective Life Distributors
FROM: Jeff Marsh, Vice President – Life Sales & Advanced Markets

Protective Life Insurance Company requires a signed Conditional Life Receipt be included with every submitted application packet when premium is collected for all states, **excluding California and Kansas**. As a result, the Conditional Life Receipt serves as documentation that money was accepted for initial premium on an application.

Protective Life Insurance Company has made the following modifications to all Conditional Life Receipts:

- **The company address has been added.**
- **A check box has been added in the upper left corner for Term, UL, or VUL.**

The modified Conditional Life Receipts are currently available on the Protective Advisor Center and within the application packets.

If you have any questions or would like additional information, please contact the Life Sales Desk at (800) 628-6390, option #2.
